## **ABOUT THE PARTY:**

We style a very meticulous setting to create the perfect aesthetic. We include a considerable number of props, throw pillows, decorations, and string lights/ garland. We have pre-planned themes to choose from or we can create a theme from your description. Check out the “Extras” sections to see the options for additional add-ons.

You do not have to have a reason to throw a party, but in case you were looking for one, we create special settings for events like birthdays, family sleepovers, graduations, holidays, movie nights, tea parties, glamping, baby showers, bridal parties. Please, fill out our contact us form to get started making effortless moments!

## **SETUP AND BREAKDOWN:**

Depending on the add-ons and theme of your party, our work team generally consists of two people, Judy and Jenn. We will set everything up the day of the event unless the party starts in the morning, then we can set up the day before. The area where the party is going to be set up will need to be cleared and clean before we arrive with the decorations. We will not move furniture or clear out the area ourselves.

We will agree on a setup and pickup time before the event, and it will be in the contract. At the time of pickup, we will only be responsible for disassembling our belongings and taking them out of your home. We do not clean up party trash.

Delivery times will be between 10 AM and 3 PM on the date of the party. A 2-hour window for arrival will be given the day of delivery.

## **CONTRACT & PAYMENT:**

A contract signed and deposit paid are required to book an event. The deposit will be 30% of the entire cost and the full amount is due the day of the event. The contract will have all our terms and conditions in it for us to discuss with you.
